Technical drawing of a mechanical assembly. The top view shows a base plate with two circular ports, each with an O-ring. The central vertical axis has a height of $L = 1100$. The width of the base plate is 108. The central horizontal distance between the two ports is 46. A cable entry labeled "Cable 3xAWG-20" is at the top. The bottom of the drawing shows an oil inlet/outlet. The text "油入口" is on the left and "油出口" is on the right.
